

Microsoft account

Here's your new recovery code. If you ever need to recover access to your account, this code will help. You should print it or write it down, and store it in a safe place. We strongly recommend that you don't store your recovery code on a device.

If you previously had a recovery code, it is no longer valid. Use this new code instead.

Your new code is **SWNPG-VM7T7-9N287-QFLSU-EYSZB**
